Leech Lake is famous for its fishing. As the "muskie capital of the world" your dream of catching the big one may come true! Outstanding walleye spawns have produced record numbers of walleye in the lake. Plentiful northern pike can provide excitement on every cast. Fall fishing for jumbo perch provides fast action and keeps our dock crew busy cleaning fish. Other fish include black crappie and largemouth bass.

Big Rock Resort has something for everyone. We have great facilities for the sportsmen and women, a lodge full of good conversation as well as groceries, snacks and supplies. We have a recreation room for the kids (or the kid in us all) with a pool table and video games.

Our cabins are spacious and completely furnished with fully-equipped kitchens, a Weber grill and picnic table. We furnish all linens, except towels, and provide a laundromat for your convenience. Our boat ramp and harbor facilities are well-suited for bigger boats. We have two 25' pontoons and 18'6" Polar Kraft fishing boats with 70HP Yamaha motors to rent. We offer complete dock services including free fish cleaning, packaging and freezing.
